

202,230,17/#cae611-think Yellow Submarine

230,112,17/#e67a11-like Orange amps

17,162,230/#11a2e6-a color important in Hinduism

117,17,230/#7511e6- Purple Haze

178,217,163/#b2d9a3 - I decided to go with a light dullish green color. I wanted it to look somewhat aged and natural looking.

The 4 brighter colors are meant give the page a colorful psychedelic theme. They also compliment each other pretty well as not to be a total assault on one's eyes.
